

Manager's Coffee

Thursday, April 21

Graham Park Maintenance Bldg., 7 pm

What is stormwater runoff? Why does it matter?
What is Cranberry Township doing? We'll learn what every homeowner can do to prevent stormwater runoff pollution, how runoff affects our sewer system and what Cranberry has planned for the future. Township Manager Jerry Andree will be joined by Township Engineer Jason Kratsas.

RSVPs are appreciated, 724-776-4806 x 1089
